INTERNATIONAL SUMMER LANGUAGE AND ORIENTATION PROGRAM

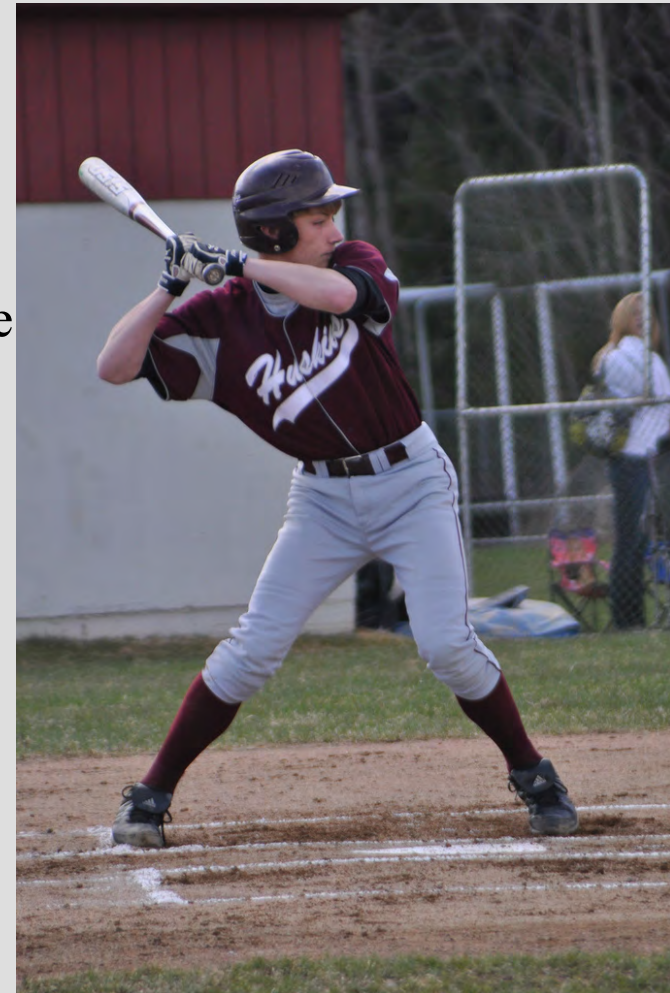

- Our international students aspire to matriculate into competitive colleges and want every opportunity to advance academically during their high school experience.
- MCI provides a mandatory two week program to ensure students transition successfully to the rigors of the American educational experience and are prepared to thrive while in the MCI environment.
- Students will receive targeted instruction, so every student can make significant language gains during the program. This experience will ensure students transition to their full course schedule easily and have valuable information needed to apply to American universities.
- Each student will receive 1/2 credit for completion of the program and an individualized report of his or her language progress.
